A SESSION BY MUSKAAN

To continue with our ongoing initiative towards being a responsible individual and organization , we have planned 2 workshops , one for the **Service Staff on 20.4.09** and one for **the Teachers on 24.4.09**. These sessions will be conducted by **Muskaan**, an organization that works towards awareness, prevention and with survivors of child sexual abuse. These sessions will focus on creating awareness towards prevention and to initiate action to safeguard our environment.
