

## **THE ORCHID SCHOOL FOOD FACILITY PAYMENT -2010-11**

22<sup>nd</sup> May, 2010

Dear parents,

This announcement is regarding the food facility and payment formalities for year 2010-11

- TOS is exploring new caterers who may not demand minimum 300 plates to start the service.
- We are negotiating the total price for the whole year.
- Until the picture is clear, parents are advised **not to make payment FOR FOOD FACILITY.**
- Last date for FOOD FACILITY PAYMENT is kept on hold.
- Last date for 1<sup>st</sup> installment fees -1<sup>st</sup> June, 2010.
- If you have made payment already, you will receive the refund fully if the facility is scrapped or balance depending upon the total cost.
- We will have a food counter on parent orientation day. You can book your requisition for the whole year if it appeals to you. The payment too can be made accordingly the same day.
- We will keep the food booking counter for a week so that parents can make considered choice.
- Food facility is outside the fee structure. This means you have to opt for it, pay of it in order to be served.
- Once the contract is finalized with the new caterers, we will post you details regarding the cost, payment mode, sample menu etc.
