School Reopens on 24th August-2009

Dear Parents,

As per the government guidelines & directive we are re-opening school on Monday 24th of August.

We will have a regular school and time schedule.

Measures and precaution taken by school to deal with swine flu

- No assembly of any kind for a while
- First period for a week to be used for Awareness, Sensitization and Demonstration of precautionary measures. Class teachers will conduct the session. Please follow it up at home too.
- School calendar reworked to make up for lost working days. Details will be sent.
- Child, if detected with flu symptoms, will not be allowed to stay in school.
- Drivers and kakas too instructed to deal with situation
- The school team will, from time to time, evaluate the situation and take measures accordingly. It will also keep in touch with Government departments for directives.

Parents, please.....

- Don't send your child to school **IF**
 - She / he has flu symptoms (e. g running nose, cough, high fever, vomiting / diarrhea, body ache....)
 - recently recovered from flu (not completed the mandatory quarantine period of 7 days)
 - returned from overseas trip (minimum stay at home for 3 days recommended)
- Use your own transport for few days if you are not comfortable to send your child by bus.
- Update your contact numbers in your child's identity card. In case of emergency it helps.
- Let the child wear mask if you have got one for him /her
- Pack clean handkerchief, tissues, and zip pouch for throwing used tissues / handkerchiefs.
