Medical Examination for students of classes I to VIII

Date: 19th July, 2010

Dear Parents,

We are institutionalizing a basic annual medical examination for students and staff. The medical examination for students of **Classes I to VIII** is planned in the coming week. A team of pediatricians has been appointed for this purpose. They will conduct a general examination of your child and submit a certificate with findings if any.

For this, we are sending you a form which requires few basic details. Please fill this form and return it to your class teacher by **22nd of July**. Please do not lose the form.

- This examination is compulsory so please ensure that your child is present during these days.
- The dates for medical examination - 27th, 28th and 29th of July.
- Doctor –Dr Shilpa Yadav with her team of 3 doctors.
