

Teacher awarded as an IB EDUSTAR

ILLUMINATE BIOLOGY organised an Elocution Competition for The Educators on 25th February 2023.

27 participants had to make an online presentation on Google meet for an allotted time of 3 +1 minutes. The topic was based on the principles of teaching with participants sharing their views, ideas and aims on teaching process.

It is a proud moment for TOS family as our teacher Ms Monika Gupte was awarded the Certificate of Excellence as an IB EDUSTAR for winning the influencer tag at the competition.

She spoke exclusively about the principles of teaching followed at Orchid.

We are very proud of your achievement and wish you success for all endeavours in the future.
