

'Most Effective Presenter'- Ms. Sonali Khambete

Congratulations Ms. Sonali Khambete, Primary Unit Head for being awarded as the 'Most Effective Presenter' at the National Launchpad VI conducted at Pragma Bodhini High School, Mumbai on Saturday, 10th December'22.

She received this award for presenting the climate change mitigation practices that are conducted in The Orchid School for creating a sustainable world. The Orchid School's unique std IV multidisciplinary project 'Nagpanchami' was showcased during this event.

The project 'Nagpanchami' encourages and promotes the idea of biodiversity embedding it in the cultural context and contextualising it for the little ones.

It explores the world of snakes encompassing various scholastic and co scholastic areas of the curriculum. The ideas and approach incorporated in this project were much appreciated during the event.
