

The Orchid School awarded by Brainfeed and ET Tech X.

The 3rd Edition of the Education and Training Resources & Tech Expo 2022-23 was held at Hyderabad, Hitex Exhibition Centre on 4th and 5th January 2023.

The largest B2B EXPO, where Conference and workshops on Education and training resources, supplies, technology and infrastructure are brought under one roof to support and fulfill the immense current & future demand of different resources for their institutions and schools.

The Hitech city was host to felicitate leading educational institution across Odisha, Maharashtra, Telangana, Daman & Diu, Dadar & Nagar Haveli, Andhra Pradesh, Goa, etc.

A proud moment for our school as it was awarded among the 'Top 500 Schools of India'

The award was received by our Principal Ms Sangeeta Kapoor as an appreciation of the committed efforts and innovative approach to groom the young learners with skills for life.

This is an affirmation for the immense faith our stakeholders have in us as a catalyst for building a better future.
